BBJ Staff

The Boston Business Journal Tuesday announced the 2013 Pacesetters — a list of the region's fastest-growing private companies. This year's list includes the 70 Massachusetts companies that recorded the highest three-year growth rate in revenue as of Dec. 31, 2012, with a starting baseline of \$1 million.

"This list offers an excellent snapshot of the businesses and entrepreneurs who drive the Massachusetts economy," said [Chris McIntosh](#), publisher of the Boston Business Journal. "The BBJ's Pacesetters are among the greatest innovators and leaders within a wide variety of cutting-edge and traditional industries, and they are a huge reason why this state continues to be a great place to do business."

The 2013 Pacesetters will be honored during an April 25 breakfast event, featuring a countdown to the No. 1 fastest-growing company on this year's list. For more information on this year's event, [CLICK HERE](#).
