

## NOVEMBER EMPLOYEE SPOTLIGHT

**JAMIE WALKER, SCHEDULING MANAGER**

With Veteran's Day this week, we want to take a moment and spotlight one of our own, a Former Marine, Jamie Walker. Jamie started as part of our Field Inspection Team and is now our Scheduling Manager after 13 years at Enservio. Kara McMahon has glowing reviews for Jamie, 'Jamie is passionate about what he does and one of the most conscientious employees we have. Always giving 110%.'

Jamie always keeps the customer first and is determined, direct and organized in everything he does. When asked what he likes most about his job at Enservio, he says 'I like the problem-solving aspect of the job because my team makes the impossible happen daily.' His military experience taught him 'Discipline and perseverance. No matter how hard something seems at the time, it can be done if you stick with it and work through the impulse to quit.'

In his spare time, he loves to read, enjoys working on his house and lawn, and has a passion for cooking. Ask him about his Garlic Butter Chicken sometime!

Jamie – thank you for your service in the Marines and your passion for Enservio and our customers. We are honored to have you as part of our team!!
